Architect DI Dietger Wissounig

Dietger Wissounig was born in 1969 and graduated from the higher technical college for structural engineering in Villach in 1989. Afterwards, he then went on to study architecture at Graz University of Technology, where he earned his degree with a thesis project in Klang Valley, Malaysia. In the following years he worked as a project architect for several offices in the fields of health service, residential building and transportation. In 2003 he opened his own architecture office, Dietger Wissounig Architekten. In 2015 the office became a limited liability company (GmbH).

2004 – 2009	lecturer on design at Graz University of Technology
2010 – 2014	member of the board of directors of the HDA (Haus der Architektur) Graz
2009 – 2015	member of the architectural advisory board Naturpark Südsteirisches Weinland
2009 - present	member of the committee for the presentation of the character and appearance of the town of Klagenfurt
2011 – 2013	member of the architectural advisory board Bad Kleinkirchheim
2013 – 2015	member of the architectural advisory board Wels
2016 - present	member of the editorial board for the magazine Zuschnitt
