RESIDENTIAL CARE HOME ERIKA HORN

Graz, Austria

Periphery

In a park-like area a nursing home for 105 seniors was built. Three shared apartments on the ground floor and four upstairs accommodate, mostly in single rooms, each of 15 residents and a supervisor, creating a family atmosphere. A large communal living room per housing group, deep loggias and dementia suitable gardens on the ground floor and atrium upstairs serve as additional living areas. The building has an abundance of natural light.
